

Sports

Sports presence the formula of natural ways of well being for human life for our all round development. The role of sports, is essential as food for living a daily healthy life.

Our focus on sports like Swimming, Archery, Karate, Table Tennis, Football, etc. forms the educational structure a complete shape for upbringing the children as required.

Here students are free to choose any one sports item as per their interest and our classes are conducted on every Friday.

RAMA has taken an initiative to promote sports and make it accessible to one and all.

Ministry of Youth Affairs & sports has taken special initiatives & awareness to promote sports and fitness among the youth across the country under the scheme Fit India, Khelo India etc. We also have an initiative to align our curriculum with the sports like Karate, Archery, Table Tennis, Football, Swimming etc.
